Indulge your sweet cravings with Alisons Desserts – where passion meets perfection in every bite.

We take pride in crafting exquisite desserts that not only tantalize your taste buds but also bring a sweetness to your soul.

Our culinary creations are a celebration of flavours, textures, and the artistry of dessert making.

Our Aim

At Alisons Desserts our vision and ethos is to produce the best in quality handcrafted desserts, to lead the field and to maintain that lead.

To do that we are committed to sourcing the best ingredients and not compromising over quality.

The Way We Work

At Alisons Desserts, we don't just bake premium desserts; we also work and bake in a way that benefits our people, our environment, and our communities, all while driving the way forward in sustainable sourcing.

Traditional Methods

We adhere to traditional methods of baking keeping alive some classic favourites such as Cornflake Tart and Jam Rolly Poly but we are also on the latest trending items and we find the best way to produce them, like Bubblegum Cake and Maltesers Slice.

Customisation

If your customers like their desserts a particular way, we can accommodate them customising flavours, packaging or portion sizes to suit.

Why Choose Alisons Desserts?
